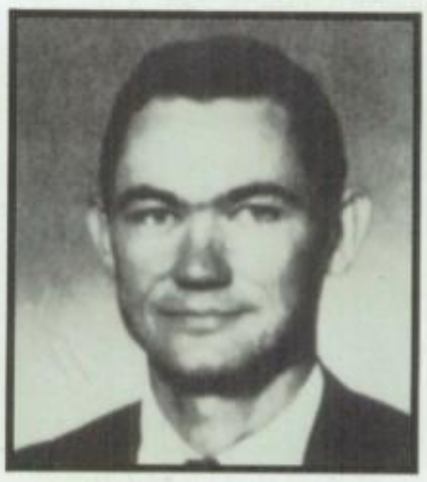
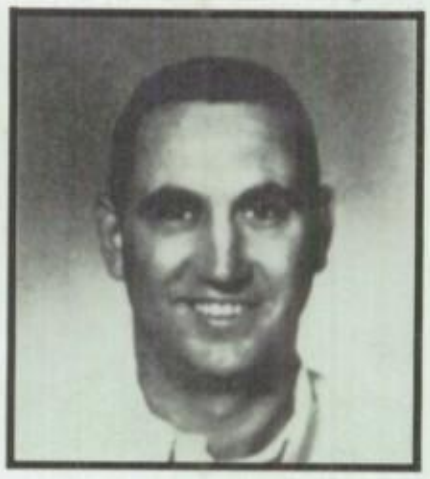
CONGRATULATIONS CCHS ON

GLIMPSES OF THE PAST . . .

Mrs. Dorothy Cooper



Mr. Walter Ragland



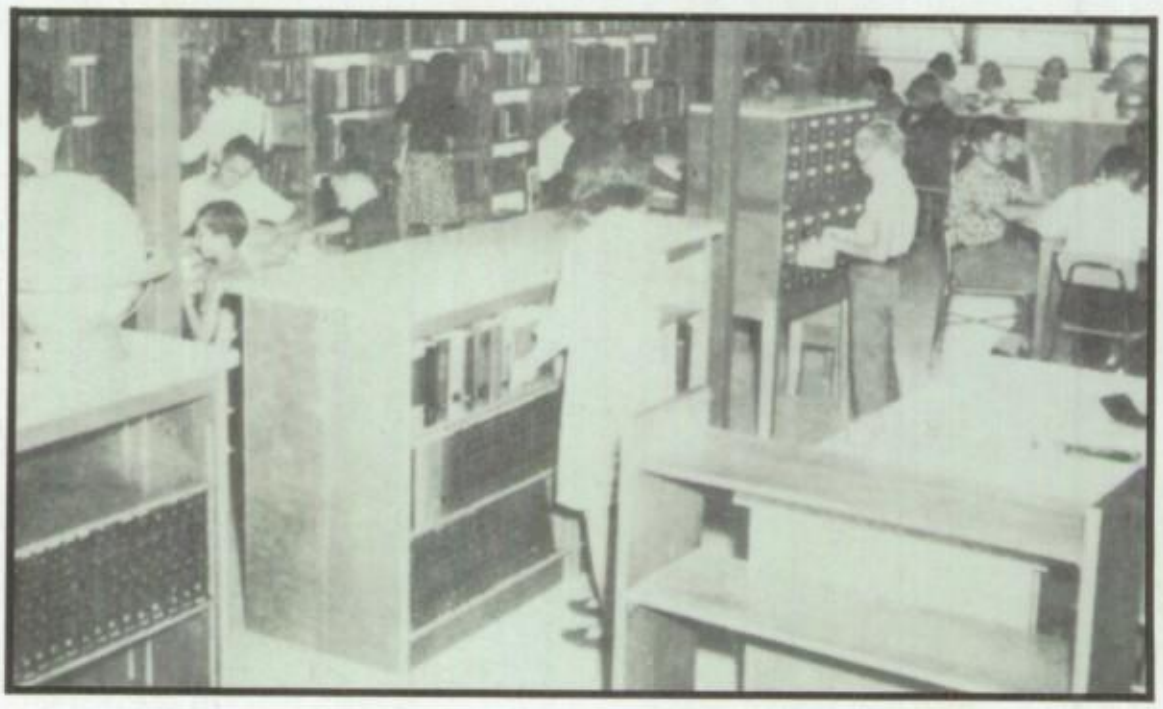
Mr. Melvin Vines

To commemorate our school's twentieth year in existence, the Annual Staff thought it was only appropriate to bring you a "glimpse of the past" just to show you how far we've come in twenty years.

At the top of the page we see some familiar faces. These facutly members were here when our school first opened its doors. Now that's some dedication!

To the right is a picture of our library. Things were arranged a little different then!

Our new gym is in the left hand corner. We really improved the looks of it now!



We Love You CCHS!

YOUR 20th ANNIVERSARY

Mr. Raymond Moore

Mr. James Martin

Ms. Shirley Sanders

Mrs. Pat Cole

ALMA MATER

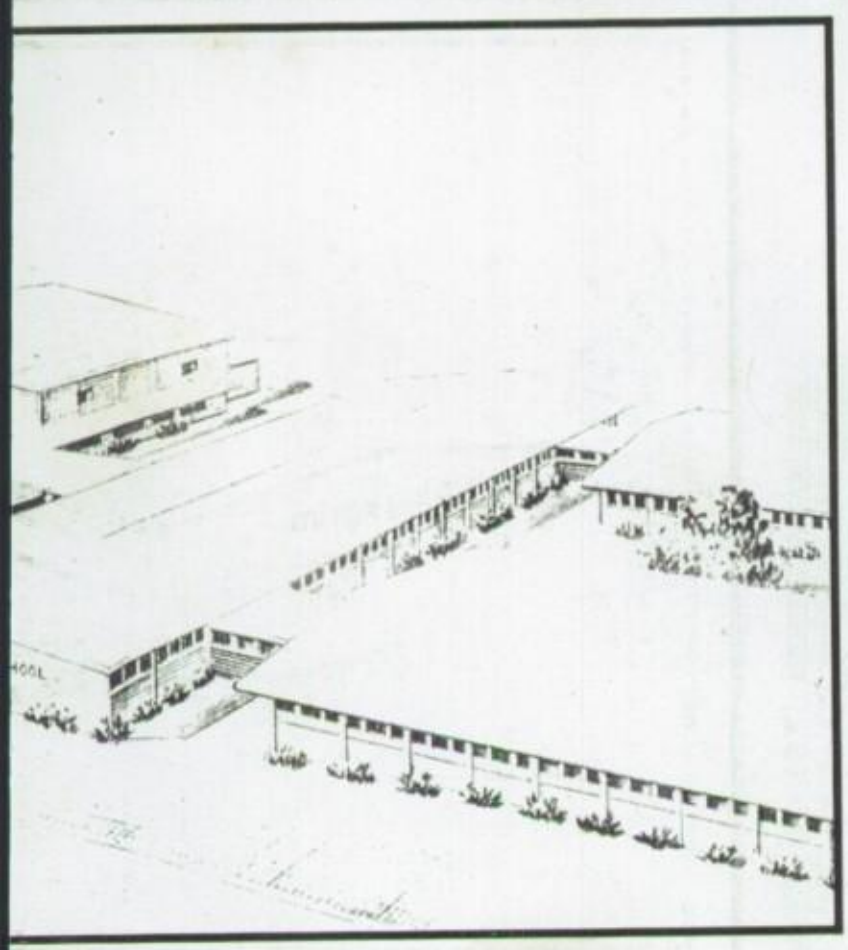
O, Hail to thee, Cross County High,
You'll always be so dear
We sing our loyalty to you
To live through all the years
Our Blue and Silver shine
throughout
And Banners still remain
Cross County High School, hail to
thee
Forever shall you reign.

This annual for the first year of Cross County School District #7 will be not only something you will treasure as years go by, but also a history within itself.

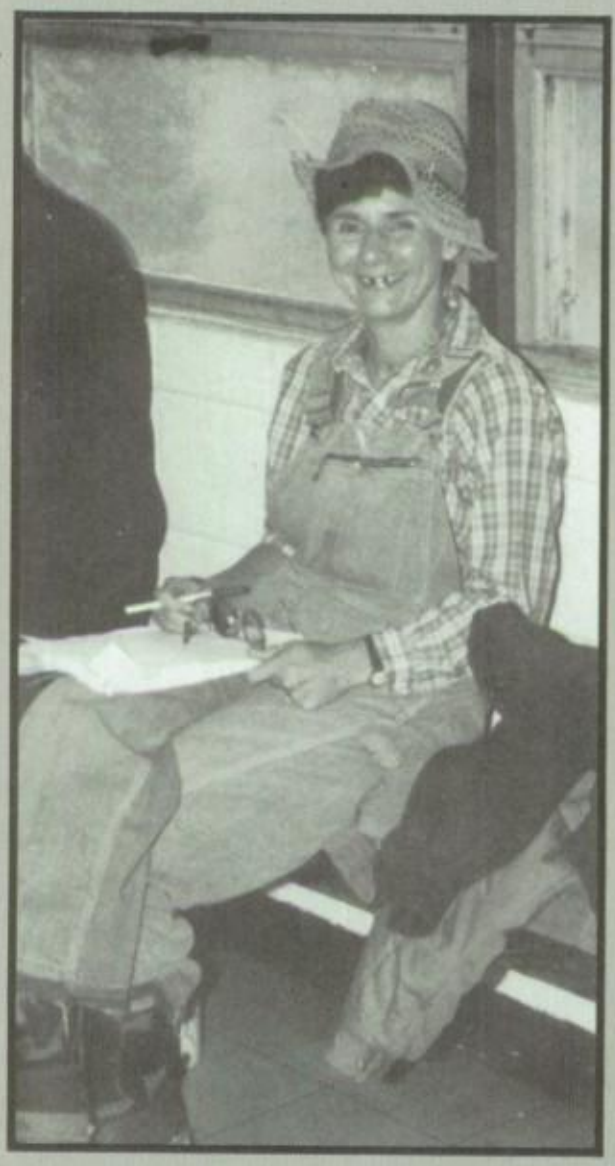
History is being made in our school district, and you are helping make it. There are many firsts taking place in all our Elementary and High Schools in the 1967-68 school year.

We, of the faculty and staff, hope that graduates of Cross County High will have an education that will help them apply themselves in whatever endeavor they undertake.

The above article is an excerpt from a small book published by the Annual Staff and presented at our school's Open House on October 22, 1967. As you can very well see, we are still holding true to these ideals which were set forth by the administration of 20 years past.



Last, but not least, we would like to remember Mrs. Henderson and Mrs. Glass who have served as cooks in our lunchrrom for the past 20 years. Left to Right: **Mrs. Henderson,** Mrs. Murphy, **Mrs. Glass,** Mrs. Spencer, Mrs. Peeler, and Mrs. Legg.



You have beautiful teeth . . . both of them.

KEEP UP THE GOOD WORK!

ADMINISTRATION

The tolerance of a teacher!

We are very proud of our faculty and administration. From the pictures shown here, we can see that our administration is involved in our activities. For example, several members of the faculty and staff dressed up every day during Homecoming week. Many faculty members sponsor clubs and are really dedicated to the activities of those clubs. Our administration works well with the Student Body and is concerned with our wants and desires. Our faculty spends as much and many times even more time preparing for our lessons than we spend studying for their tests. They want us to get as much knowledge as we can from our high school years so we will be able to compete in the real world. We would like to say a big "thank you" to all of our faculty and administration, you're doing a great job!

SCHOOL BOARD

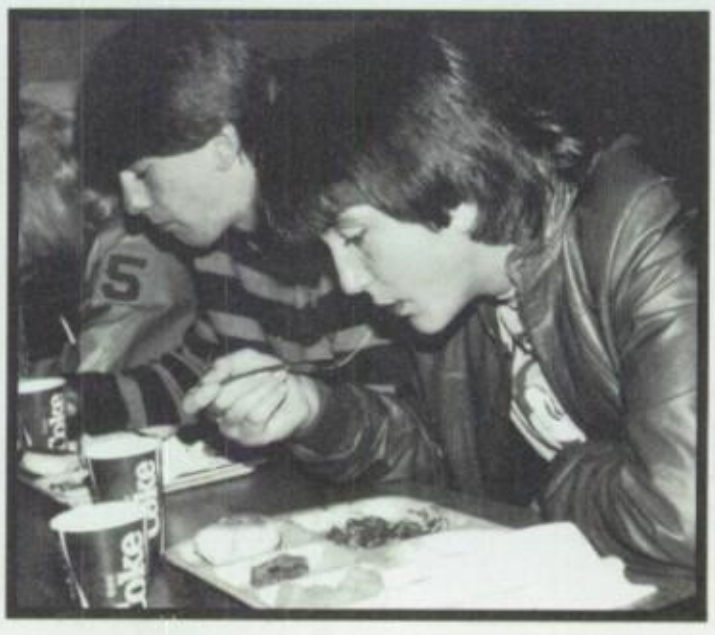
CAFETERIA SNAPS



On the first day of school, each student was presented with a welcome pamphlet from the cafeteria staff. The cafeteria staff also worked very hard to see that we got what we wanted — COCA COLA — and they did just that! We are very appreciative! The addition of the Salad Bar was also a big addition to our cafeteria and we realize how much time and effort is put into it. Not many schools have THREE entirely different meals to choose from. We would like to thank Mrs. Chase and the entire cafeteria staff!

Homecoming Highlights

Dressing up for Homecoming Week shows tremendous school spirit. This activity is only for those brave ones who dare to make a fool of themselves in hope that it will arouse school spirit. On Monday morning, the halls were an array of straw hats, overalls, and checkered shirts, **Hillbilly Day,** the first signs of this ritual called Homecoming, had arrived in full fashion. Every period showed the face of a new Jethro, Elly Mae, or Granny.

Tuesday came and the ultimate challenge of dress-up was here, **Nerd Day . . .** yes . . . Nerd Day. This day was apparent as laughs of hyperventilation drifted down the hall, one could bet almost anything its source was an uncoordinated, plaid-wearing, loud-laughing, nose-picking geek.

An assortment of individuality showed through in the outfits on **Costume Day,** Wednesday. There were costumes such as: Madonna, clowns, a French maid, a swamie, and a pumpkin.

. . . . '87

Wendy Forester, Soph. Maid

Thursday slid in with the groovy attitudes of the supremely cool cats, or in other words, **50's Day** was upon us. Black leather cruised, and poodle skirts bounced down the hall. Ponytails, scarves, greased hair, and white t-shirts could be seen in abundance.

Friday, the climax of Homecoming came with the anticipation of the night's game with Marvell. It was **Hats, Shades, and School Colors Day,** including everything from Tom Cruise sunglasses to blue hair.

The pep was brewing and our rally was stupendous. During the afternoon activities, the Homecoming Royalty paraded, the classes had a tug-o-war, and the cheerleaders and Mr. T arrived in style on a fire truck.

Although we lost that night's football game, we were still proud of our team and our school. We believe the Thunderbirds will forever be number 1!!!

JUNIOR — SENIOR PROM '86

"A Night In Heaven" was the theme for the evening at the Junior — Senior Prom held in the high school cafetorium on April 25, 1986. The evening began at 6:00 with pictures by Robert Jenkins. At 7:00, the program was initiated with Principal Douglas Smith giving the Invocation. Daniel Imboden gave the Welcome, the Prophecy and Senior Wills were read by Johnie Hampton and Cherie Midgett. The presentations of the King and Queen, and Prince and Princess were made by Junior Class Sponsor, Ms. Kristie Mashburn.

The Dance was lovely as the music was by TOP CAT, videos were shown as the music played and a special video of Juniors and Seniors was also presented.

The Junior Class did a wonderful job decorating. A beautiful blue balloon arch was the centerpiece of the dance floor with streamers of blue and white covering the ceiling.

The Junior Class worked hard to make the Prom the best and they all did a great job!

"FOLLOW THAT BIRD"

We are very proud of the new sign that welcomes each of us to school everyday. The Annual Staff thought you'd like to know what went on behind the scenes, so here's a little view of what went on in our own Agri. shop.

Back in July of 1986, Art Instructor, Ms. Kristie Mashburn, and Student Council President, Johnie Hampton, discussed the possibility of building a sign in front of the school. After contacting all the necessary people, Mrs. Mashburn and Johnie said, "Let's start building." They bought all of the needed materials and with the help of Bert Adams, they began construction. Many nails and blisters later, one side of the sign was together. After making a rough sketch on the sign, the paint began to fly. After two weeks, side one was complete, and my were they proud! The process started all over again as side two was started. More nails and blisters, and heat as the temperature pushed 100°. After another two weeks, side two was complete and they were ready to put it in place. The toughest part was yet to come. Several loyal students were contacted and asked to help in this final feat. They carried it out to its prospective location and both sides were nailed together. Two-foot holes had to be dug to secure the sign and thanks to Carwell Elevator a machine was provided. Once the holes were dug, they began to lift the sign off its legs and into the holes. For the first time, they discovered just how heavy the sign was. The holes were too shallow so they had to pull it back out. They dug the holes deeper and tried again. They were all so tired! Suddenly a construction worker from across the way appeared and was definitely a sight for sore eyes! With his help the sign was pushed up and it was a perfect fit!

Their goal had been accomplished!

Special thanks:

*Ms. Kristie Mashburn, who put over 100 hours into the sign and also her children, Zack and Katie, who helped out in their own way.

*The Student Council officers who are: Johnie Hampton, Keith Lockley, Mark Frank, Shellye Jones, and Christy Worley. Thanks to the Student Council for providing the funds and to Mrs. Rondone for her support.

*The Agri. department for letting us use their shop.

*And last but not least, those loyal students, who are: Bert Adams, Marty Allen, Lea Angel Crawford, Christie Crawford, Mark Frank, Shonta Futrell, Jeni Hampton, Juli Hampton, Terris Matthews, Jeff Smith, Billy Stephens, Wayne Wallies, Randy Willis, and Warren Woodham.

THE STORY BEHIND THE MAKING OF AN ANNUAL

The annual staff starts early in the school year going to various businesses in hopes of selling an ad. This year we have hit Cherry Valley, Hickory Ridge, Vanndale, Wynne, Harrisburg, Weiner, Fisher, and as far as Jonesboro. After the ads are gathered, we work on creating what will hopefully be a satisfying ad. Then it is time to take the school pictures, club pictures, etc. Believe me, if you'd like to see one person doing five different things at one time, just come into Mrs. Cooper's room first period. Well, by February everything is completed and we are proud of ourselves for finally finishing and anxious to find out if the annual we have labored over will please our fellow students. We'd like to thank our sponsor and someone who has helped us extremely, Mrs. Dot Cooper, a debt of gratitude to Mrs. Kay Wilson and Mrs. Joyce Woodham for carrying us to sell ads, and many thanks to the people who bought ads and you, the student body, for buying this annual. Hope you like it!!

STUDENT COUNCIL ACTIVITIES

The Student Council was very blessed to have such a devoted President as Johnie Hampton. He worked very hard this year and through him the Student Council as well as the entire school had quite a few accomplishments. Through the hard work of the Student Council, our school was led into many new activities.

On July first, the officers and a few members met at school and with the help of Mrs. Mashburn, they started on the Thunderbird Country sign.

At a special meeting on August first, the officers discussed several of the year's activities. Every one was carried out as the Council had a car wash on August twenty-third, had a back-to-school dance and everyone had to wear Jam shorts — the title was appropriately "Jam Dance," and they also sold "Catch the Wave" buttons.

The next project of the Council was the Homecoming Activities. Once again they came through with shining colors as Homecoming was a huge success. The theme was "Let's Celebrate" and that they did as Homecoming was centered around the school's twentieth anniversary. The class of 1967-68 were given special invitations and passes to Friday night's game and were the guests of honor. The Council did a great job decorating for the dance as the decorations were an array of multi-colors, the perfect setting for an anniversary celebration.

As the year progressed, the Council had many projects. A food drive was initiated and everyone gave generously. In February, they sold red roses and Val-O-Grams for Valentines and were grateful for the response of the Student Body. In preparation for the Regional Tournament held in March, the Council got an American flag to hang in the gym. It looked great.

The Student Council had many other projects but they could not be reported due to the Yearbook deadline. By reviewing this article it is an established fact that the Student Council was very active and everyone should be very proud of all of their many accomplishments.

DRAMA/SPEECH

Presents

"The Miracle Worker"

The Drama/Speech Club presented "The Miracle Worker" by William Gibson on December 15, 1986. This was presented in a three act play. The play is based on the life story of Helen Keller, played by Lea Angel Crawford, who struggled to overcome physical handicaps as well as the overbearing protection of her parents. The parents were played by Matt Forester and Kenya Sanders. Kay Karnes played the role of Anne Sullivan who helped Helen overcome her handicaps. Other members of the cast were: Shirley Wells, Allen Moody, Gary Schoonover, David Brooks, Sonya White, Patricia Hicks, Isaia Wells, Melody Crumley, Susi Mullins, and Connie Bown. Offstag voices were Mike Davis, Dav Brooks, and Gary Schoonover. Th play was a great success for th playgoer and cast alike. Th Drama/Speech Club plans a secon production by Neil Simon entitle "Barefoot in the Park" to b presented in the spring. This is th second year for Dramatic Arts an Speech at our school and Mrs. Jone has done a fantastic job at getting th program started. We are very prou of their performances!

FHA — "A VERY ACTIVE GROUP"

The FHA (Future Homemakers of America) has been very active, both in school and out this year. They were active in attending three FHA Sub-District meetings. The first meeting the girls attended was in West Memphis and its purpose was to plan the year's activities. The second meeting was in Forrest City and officers were elected. The third meeting the FHA attended was the annual sub-district meeting at Marianna. Three girls were in competition at this meeting. Of those three, Carla Phipps was selected to compete in the State FHA meeting in Little Rock during the month of March.

In October, the FHA once again sponsored the annual T-Bird Beauty Revue. This activity teaches the members organization, responsibility, and it prepares them to be good leaders.

In March, the girls began to use their knowledge learned as they put on the FHA Banquet, for their mothers. The FHA members bring salads and desserts while the Chapter supplies the rest. The members are very involved in the entertainment as they put on a Fashion Show of garments which they have made throughout the year. After this, they surprise and entertain everyone present with their talent numbers or skits. The banquet is ended with the installation of new officers for the upcoming year.

FHA can supply all members with good leadership as they take part and get involved in all programs. They encourage students to join.

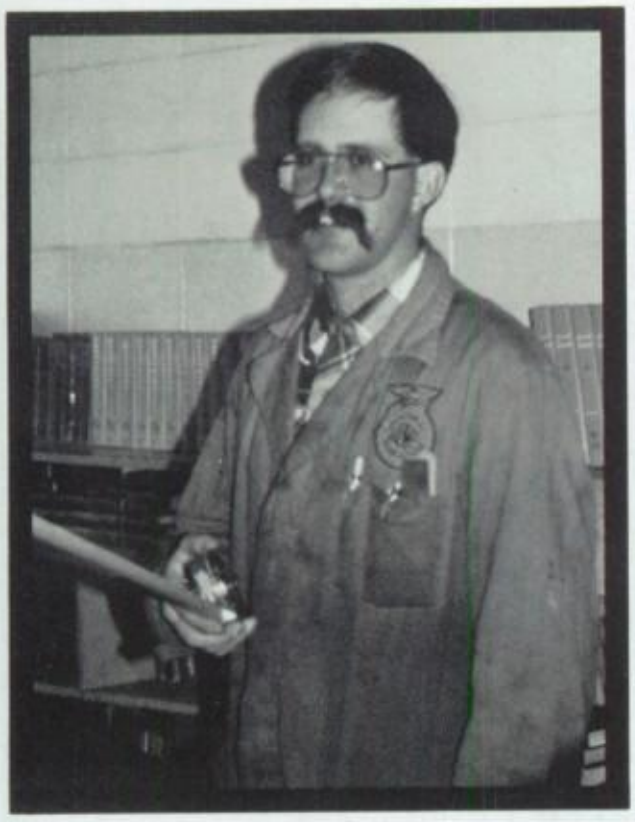
FFA — "Always Working Hard"



Motto

"Learning to do
Doing to learn
Earning to live
Living to serve"

The Future Farmers of America had many projects during the year. They made lighted Christmas decorations for the City of Cherry Valley. The FFA helped the school by repairing the wooden benches in the lobby, they helped the Student Council with Homecoming props and assisted the Junior Class with the Prom. The FFA also constructed things for many of the faculty members.

FFA sponsor, Mr. Fred Schweighart, Keith Lockley, Terris Matthews, Jeff Smith, and B. J. Clark made a trip to Kansas City, Kansas to the National FFA Convention in November. Over thirty-thousand persons attended this convention and out of those thirty thousand, our FFA representatives received the honor of serving on the National FFA Courtesy Corps.

The FFA also competed in the sub area FFA contests at Earle, Arkansas. In this competition, the parliamentary prodecure team of Brock Meeler, Bruce Halk, Terris Matthews, Kim Jones, Michelle Mauldin, B. J. Clark, and Keith Lockley placed second. Keith Lockley placed first in the Public Speaking division, thus qualifying him for the district contest at Jonesboro. At the Jonesboro contest, Keith placed fourth!

The FFA plans to have many more projects in the future to benefit our school and community.

FBLA — "WINNING IS A TRADITION"

The FBLA (Future Business Leaders of America) at CCHS has established a winning tradition in area business contests.

The FBLA Parliamentary Procedure teams have won four first places and one second place in the past five years at the Delta Vo-Tech Business Skills Contest in Marked Tree. They have also won at the FBLA District Leadership Conference and have placed as high as fifth in the entire state of Arkansas.

In the past three years, FBLA students have also won two first places and one second place in the clerical contest at the Delta Vo-Tech contest. Over the years CCHS students have won or placed in virtually every category at the contest. They consistently place in the Business Machines, Business Math, Mr. Future Business Executive, Miss Future Secretary, and Typing contests.

Several students placed at the FBLA District Leadership Conference. CCHS tied for first in the Creed event and has placed second and fourth in Business Law. The Parliamentary Procedure Team has won or placed each year that they have attended the conference.

FBLA students at CCHS are not only winners at contests, they are also winners in life. Most business minded graduates find employment in the area or go on to further their business education at the college level.

PAPER STAFF

There are many ingredients to a "good" school paper. The list would have to begin with a qualified staff, individuals who are considerate, cooperative, trustworthy, concerned, can type and proofread well, and will represent the entire student body. Once the staff has been selected they must perform the following duties:

- decide what type of articles will be included
- establish deadlines and notify all who are concerned
- gather and type all the materials on stencils
- run off copies from the stencil on a mimeograph machine
- staple all pages together
- sell the paper to the student body
- listen to all the suggestions.

This year, as in past years, the paper staff has tried to offer information and entertainment of interest to CCHS students.

Milam, H. Wood.

The Senior Band is divided into two performing groups: T-Bird Marching Band and Senior Concert Band.

This year the band went to three competitions as well as home games and some away games. The competitions attended were in Paragould, West Memphis, AR. and Hernando, MS. The band brought home a total of three special certificates, a first place plaque, four trophies, and a second place ribbon.

Concert Band started with a Sunday afternoon Christmas concert. The Concert Band was also involved in Jr. and Sr. Clinic Tryouts, Solo and Ensemble, Concert Festival, a spring concert, and a tour of the elementary schools in our school system.

OFFICERS

The Band Officers are selected from the Senior Marching and Concert Bands. They assisted this year with jobs needed to be done before school started such as lining the practice field, filing and distributing music. During school they attended Band Booster meetings, helped with the concession stands, helped plan a hamburger supper for the band and helped with the Band Banquet. They and Mrs. McClure are very thankful for all the hard work the Band Boosters put in with the concession stands, fund raisers, chaperoning, and other tasks that helped to support all the bands and Senior Band especially.

OFFICERS: **L to R:** J. Brecheen: Pres.; L. Clark: V. Pres.; E. Chase: Adjutant; M. Frank: Sgt.-at-Arms, Drum Major; D. Clements: Treasurer; K. Willis: Historian; L. Bourgeois: Asst. Drum Major.

JUNIOR BAND

The Junior Band is made up of band students in the eighth and ninth grades. Some of the Junior Band members participated in Junior Clinic tryouts, Solo and Ensemble, and Sixth Grade Graduation. Some of the students also were able to participate with the concert band during Concert Festival and Spring Concert.

Members of the Junior Band are: **Front Row, L to R:** P. Turner, M. Smith, K. Cook, L. McClure, Director, T. McCommon, K. Willis, E. Karnes. **Back Row, L to R:** L. Cansler, D. Pierce, J. Dudley.

BEGINNING BAND

The Beginning Band has done more this year than in the past. They played a Christmas concert, Spring concert, and Sixth Grade Graduation. Also the members of this group attended the Region IX Solo and Ensemble Competition. Some of this band's members also accompanied Mrs. McClure to the elementary schools to show the students their instruments.

Sideline Comments from the Coach

JUNIOR HIGH

In August approximately 32 players reported for pre-season practice. There was a good nucleus made up of mostly ninth graders. The players worked extremely hard during the pre-season. The pre-season practice ended with a 12-6 win over Paragould in a scrimmage game.

The season began on September 11 with a loss at Nettleton. The Jr. T-Birds evened their record at 1 and 1 with a win at Harrisburg. The first two conference games brought losses at the hands of Augusta and Marvell. The T-Birds came back with a big conference win over Earle. In the following two weeks, McCrory and Hughes slipped by the T-Birds. The last game brought a big rematch with Harrisburg — the T-Birds won a close contest, 14-12.

The 1986 version of the Jr. T-Birds was mostly made up of freshmen. Three of those freshmen were three year starters, Scott Grafton, Clay Smith, and Stephen Steward. These players were starters on the two previous Jr. teams — both with winning records. Grafton led the team in rushing from the fullback position. Both Smith and Steward were offensive linemen who paved the way for Grafton. Also, William Buchanan, Teddy Crouch, Rolland Lachat, Chris Hodges, Trey Heath, Todd Catlett, Mark Mays, and Matt Stevenson were instrumental in the team's success.

With the season ending on a winning note, hopes are high that this group will achieve greater success in the future.

No. 62, Todd Catlett, and no. 54, Clay Smith, get in on the action during CCJHS' game with Augusta.

SEVENTH GRADE

A small but very talented group of fourteen seventh graders began their football careers at Cross County. After an opening loss to McCrory, the seventh graders went on to win five straight. A win at Harrisburg evened their record at 1 and 1. After another win over Harrisburg, the T-Birds traveled to McCrory to avenge their earlier loss. The T-Birds were victorious, winning by a 14-8 margin. The season ended with two wins over the eighth grade "B" team. Their ending season record was 5 and 1. Way to go boys!

The Jr. T-Birds battled hard but lost to Augusta 24-16. Shown here are no. 1, Trey Heath, no. 64, Jason Holleman, no.58, Stephen Steward, no. 20, Scott Grafton, no. 2, Teddy Crouch, and no. 67, David Winningham.

SENIOR HIGH FOOTBALL '86-'87

The 1986 edition of *Thunderd football* was not one of district id state championships, but it was edition which accomplished many als. Playing team ball and having a nning season were the main objecs of the players. Ending the ason 6 and 4 provided a winning ason that didn't come easy. Scores most all games won or lost were se and provided fans with some citing times. Team play was evident everyone that watched a game.

Although there were no superstars this team, some did show up or ine above others and six made the A all-district team: Walter Hill, Bryant Taylor, Anthony Maggitt, Larry Lee, Daniel Imboden, and Brock Meeler. Anthony Maggitt was also noticed statewide for his abilities to run the veer and pass by being named ALL-STATE quarterback. Walter Hill was honored as a solid player on the "Best Under The Sun" team as a linebacker. Bryant Taylor was named to the National Educational Association's "All-American Academic" team. Bryant, the Valedictorian of the 1987 senior class with a perfect 4.0 GPA, was a three year starter for the Thunderbirds.

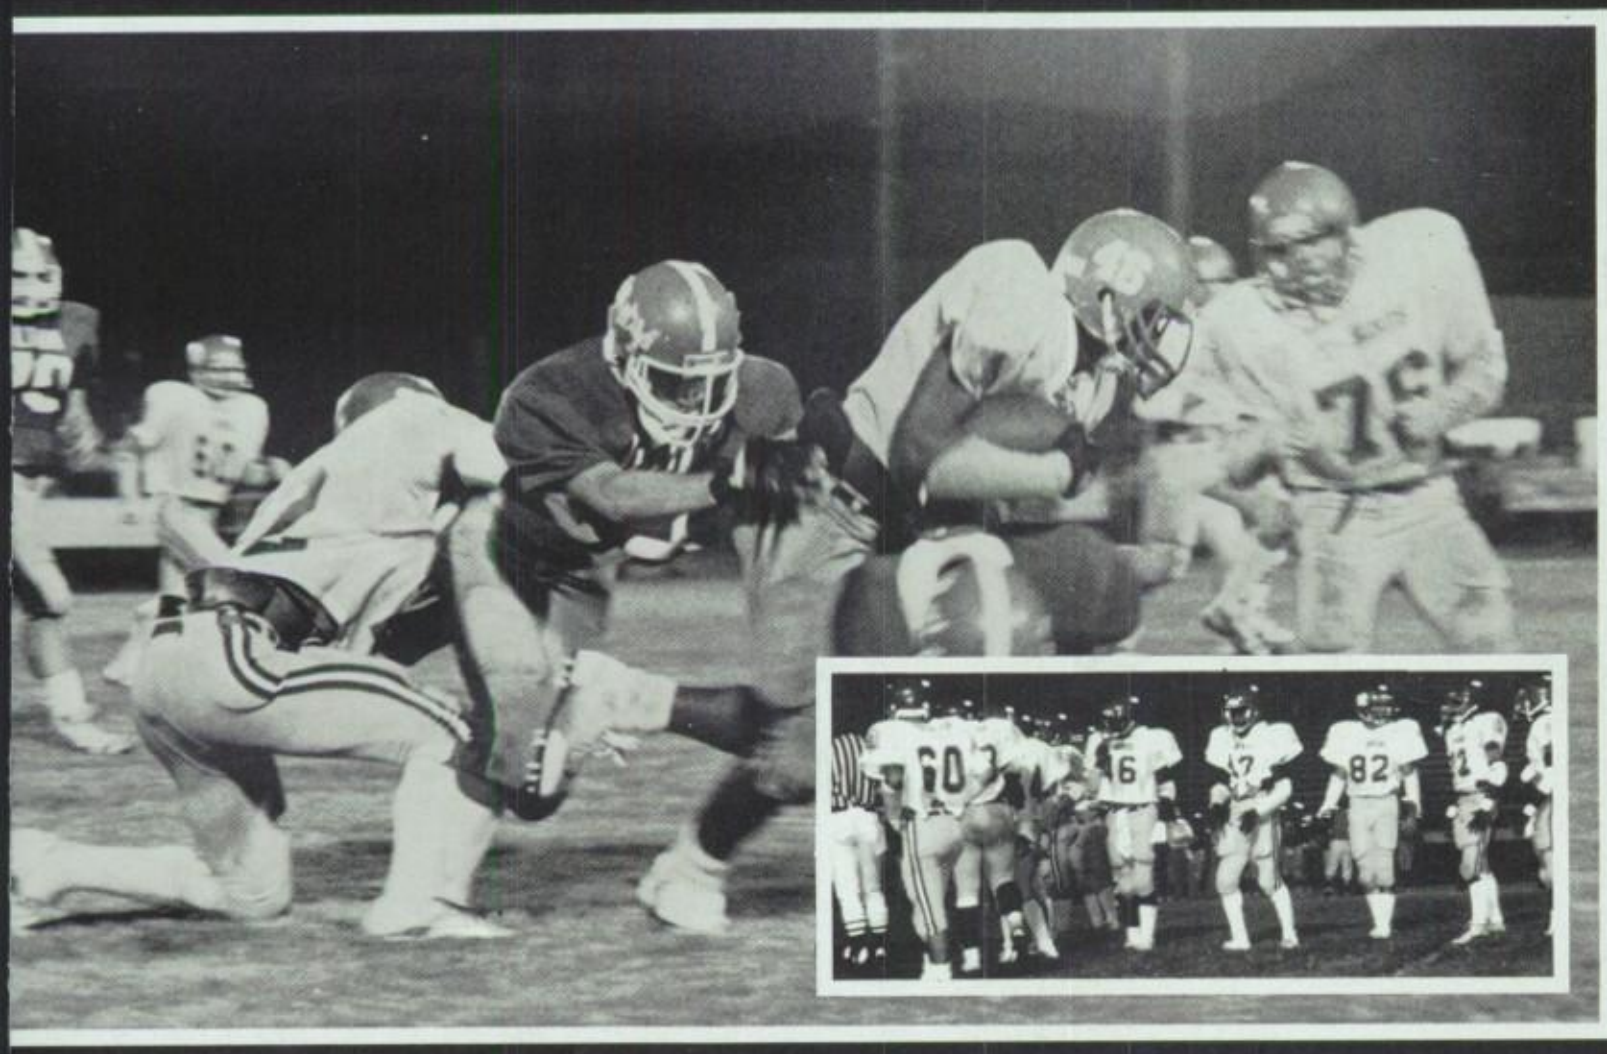
Donna Seagle did a fantastic job of keeping stats this year.



"Football is a sport that can't be sized on a success or failure type basis. Although the record has been better in the past, the players can feel good about the year because we played to the best of our abilities and gave one-hundred percent effort on every down." — Billy "Monk" Stephens

JR GIRLS' ACTION

The junior girls' basketball team had an extremely successful year. At the beginning of the year the team entered the Tri-County Tournament at Lepanto and beat Buffalo Island Central in the first round. In the semifinals, the girls beat Manila and were off to the finals. In the finals the girls battled hard but came up short, losing to Oak Grove. However, the team did win its first trophy of the year — second place in the Tri-County Tournament. As the season continues, the girls played hard in an effort to place big in the conference. Going into the conference tournament, the girls had placed second in the round-robin (position based on conference record).

This year's team has been working together since the seventh grade and their experience proved to be an essential part of this teams' success.

Next year's team, which will be made up of mostly ninth graders, will definitely be worth watching as they too have been working hard since seventh grade.

TO A VERY SUCCESSFUL TEAM — CONGRATULATIONS!

The seventh grade girls are also looking good. They defeated Wynne 18 to 16 and East Poinsett County 22 to 16. They lost to McCrory 19 to 15 and to Harrisburg 14 to 11. We are looking forward to seeing great things from these girls.

1 — GOOD FORM No. 14, Lisa Wilson puts up a shot against McCrory.
2 — REBOUND No. 33, Carla Phipps, and No. 22, Stephanie Johnson are looking for an offensive rebound.
3 — SMILE FROM THE BENCH! The glamour gals smile and are in great anticipation of getting to play.
4 — UP AND IN! No. 23, Christy Green, hoops up 2 in a great win against McCrory.
5 — DRIVE IN! No. 33, Carla Phipps, drives on the baseline.
6 — PUT IT UP! No. 32, Tracy Pulley, is doing a great job offensively under the goal.

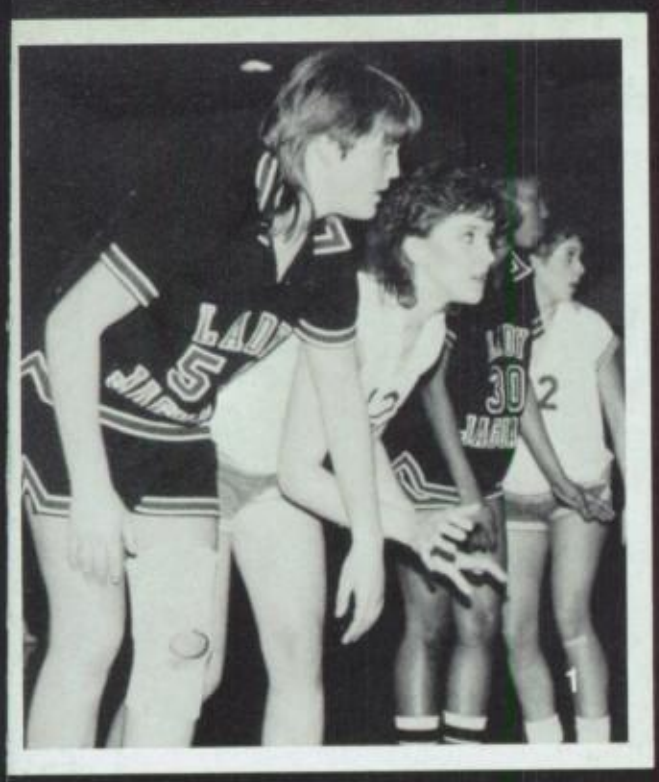
DISTRICT CHAMPS!



The Senior girls' team was as successful as everyone thought they would be. A team of mostly juniors, the girls have been through a lot of wins and losses and much hard work since they started their careers in the seventh grade. The team began their year with the Tri-County tournament at Lepanto. They battled hard but lost to East Poinsett County in the first round. Then the conference games began. The girls proved they could work together as they pulled through and for the second year in a row, won the round-robin conference title.

Next year's team of mostly seniors should prove to be the best yet as the girls will have the most experience in the conference.

CONGRATULATIONS — AGAIN!!

1 — Rebound No. 12, Kaye Karnes will attempt to get the offensive rebound over a nice size Jaguar.

2 — No need to rebound No. 12, Kay Karnes will shott, and no. 13, Angy Lockley, is set up to rebound. However, the shot went in!

3 — All alone No. 22, Jerrie Grady, is all alone and puts the ball up for an easy two points.

4 — Hurry No. 12, Kay Karnes, is in a hurry to drive to the basket and get two before the Jaguar fouls her.

5 — Determined No. 35, Juli Hampton, is determined to get two points here as she has scooted by a Jaguar and is about to score.

6 — Stance Angy Lockley, center, shows good rebounding stance.

7 — No need to jump No. 13, Angy Lockley, shows no need to jump — she's unguarded and the baseline is a good place for her to be. She scores an easy two points!

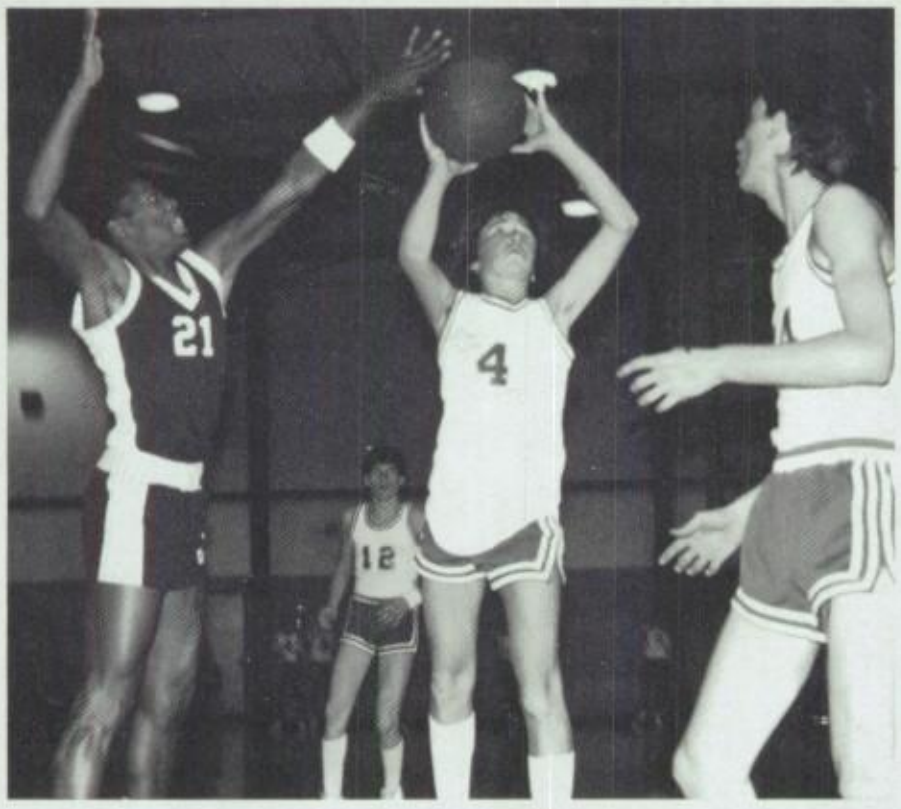
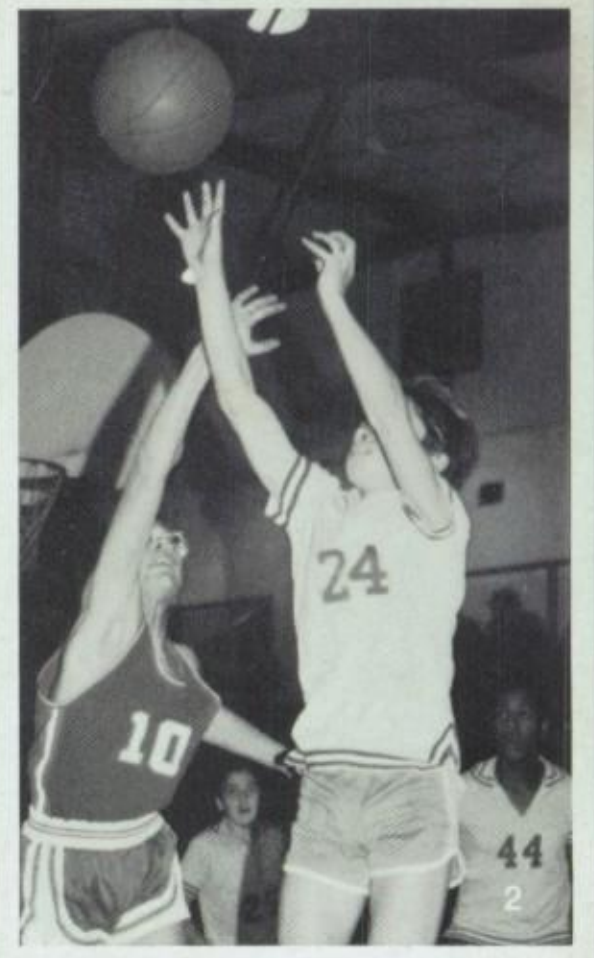
The Junior Boys' Basketball team played very hard and really gave it all they had this year. Considering the fact that those who played this year were playing together for the first time, they really did a good job. The team as a whole worked good together and got along extremely well. They stuck together through their losses and encouraged each other. When they did win, each was supportive of the other. The team, consisting of mostly eighth graders is a young team. Next year's team will be even better as those who will play will have plenty of experience.

The seventh grade boys ended up with a 3 and 2 record. They defeated Harrisburg 22 to 13, Wynne 19 to 17, and Harrisburg again 31 to 28. Their two losses were to Wynne 19 to 18 and to McCrory 18 to 16. They worked real hard and are looking forward to their upcoming Junior High years of play.





1 — Two options No. 4, Cody Wilson, had two options, to shoot or pass to no. 15, Nathan Johnson. He took the two points.
2 — Young talent No. 24, Jerry Harris, shoots the ball as no. 25, Corey Williams, and no. 44, Corey Warren get ready to rebound during a seventh grade ballgame.
3 — Lay up No. 31, Trey Heath goes up for a lay up against an Augusta player.
4 — Good Screen No. 32, George Young, screens for no. 31, Trey Heath.
5 — Discuss Some Jr. High players discuss the game plan and their hope to become part of it.
6 — Good drive No. 12, Mike Lockley, brings the ball down the court and looks for an open man.
7 — Good timing No. 33, Scott Carter, gets the shot off just in time to miss a run-in with the opposing team.

SENIOR BOYS' ACTION . . .

1

The Senior Boys' Basketball team for the 1986-87 year was a hardworking bunch. Although a winning record was not attained, the team had a good time and learned many things. The team consisted of five seniors, three juniors, and five sophomores. They all worked very hard together and enjoyed playing the game. Three seniors, Anthony Maggitt, Kelvin Anderson, and Johnie Hampton have played together for six years, the other seniors, Brian Gibson, and Steve White joined the team later and have contributed much. These five seniors will be greatly missed.

As the season ended, we are in high hopes to see an even greater team next year.

1 — Nothing To It Rex Vines has no trouble with this behind the head dunk.
2 — Look At Me Kelvin Anderson appears to be enjoying this slam dunk!
3 — Determined Kelly Phipps appears to be determined to put this one down and it seems as though he's quite successful.
4 — It's Mine Johnie Hampton, center, and Anthony Maggitt fight for the ball during a battle with Earle.
5 — Two No. 21, Johnie Hampton, puts up a shot for two against the Bulldogs.

ATHLETIC BOOSTERS

Last year the Booster Club had a faculty and administration basketball game. It was very successful and we'd like to thank all of those who participated.

The Athletic Boosters work very hard trying to earn enough money to see to it that our athletes have what they need to become great athletes. This year the Boosters raised money to buy a video camera and VCR to record all athletic events. They also put carpet in the girls' dressing room in the gym.

To raise money for these projects, the Boosters had many projects. This year as in years past, the Booster Club was in charge of getting the football program together. John and Joan Hampton worked very hard in getting the program organized and they did a great job! Shelia Phipps also did a great job filming games. The entire Booster Club did a fantastic job of supporting all of the athletic events. Pictured above are: Jimmy Freese, Vice President; Mable Smith, Treasurer; and Carl Phipps, President.

SENIOR HIGH CHEERLEADERS

The 1986-87 Cross-Country Senior High Cheerleading Squad was made up of four seniors, four juniors, and five sophomores. These thirteen girls did extremely well during the NCA (National Cheerleading Association) Camp held at Arkansas State University during the month of June. The cheerleaders brought home four superior ribbons, and a well deserved spirit stick. Juli Hampton was chosen to be in the style show for the second year. Juli was also honored by being chosen to compete for the "All American Cheerleader" title. The squad was chosen to compete in the camp finals. Senior, Sonya White, served as captain, while three co-captains were elected to this larger than usual, "clan" organized. Missy Farrell was the sophomore capt., Juli Hampton, junior, and Shonta Futrell, senior capt. The cheerleaders worked under the supervision of Mrs. Rebecca Campbell, their sponsor. We are very proud of our cheerleaders, they spend a tremendous amount of time and effort to insure that the spirit of our school is kept high, and they do a great job!

GIRLS' and BOYS' STATE

THE AMERICAN LEGION
GIRLS STATE

Girls' State took place in Arkadelphia at Ouachita Baptist University

Front Row L to R: Donna Seagle, Kelly McKnight, Jeana Proctor. **Back Row L to R:** Sandra Davis, Linda Gunter.

L to R: Johnie Hampton, Bart Greene, Daniel Imboden

THE AMERICAN LEGION
BOYS STATE

Boys' State took place in Conway a t U.C.A.

When the girls/boys reach camp, they will be assigned to cities, and will live in these cities for the **period of Boys'/Girls' State. Two cities will make up a county, and the counties will make a mythical state. The assemblage will function under two political subdivisions, under the basic laws of the state of Arkansas, using the** existing constitution and existing laws as a guide.

The caucus and convention method will be used for nominating candidates to city and county offices. Primary elections will determine the party's nominee for state offices. Petition method is used in determining how a candidate's name is placed on the ballot. Lack of time prevents primaries on the city **and county level of government.**

In Boys'/Girls' State, the boys'/girls' have their own legistature, introduce and argue their own bills. **They make and enforce ordinances regulating their cities. They conduct their own elections. They have their own police force,** court of law and administer justice. The boy/girl has a chance to learn for **himself/herself that government is just what he makes it.**

SPECIAL AWARDS AND HONORS

ALL-STATE

Anthony Maggitt

ALL-DISTRICT FOOTBALL

L to R: Daniel Imboden, Larry Lee, Anthony Maggitt, Walter Hill, Bryant Taylor, Brock Meeler.

Kneeling: Todd McCommon, Second Band Second Chair Bari-Saxophone — Junior Region Band Clinic. **Standing, L to R:** Regina Jones, First Band Thirteen Chair Clarinet — Senior Region Band Clinic * All-State Tryout Qualifier. Joe Bourgeois, First Band Fourth Chair Baritone — Junior Region Band Clinic. Yoshi Murai, First Band Seventh Chair Trumpet — Senior Region Band Clinic * All-State Band Qualifier.

Region Band Clinics

Junior Clinic and Senior Clinic Tryouts are individual competitions. Student work on prepared material and scales prior to try outs. The students go through a rigorous tryout with two to four judges. Selections of the top instrumentalists are made. Each clinic band is made up of the best students in the Region. On the high school level the top players in the first band are eligible for All-State Tryouts. Yoshi and Regina received the honor of being able to tryout at the state level.

Athletic Banquet 1986

FAR LEFT: Juli Hampton receives her Letterman's jacket from Coach Halk. **LEFT:** Jackie Henderson, Anthony Maggitt, Johnie Hampton, and Kelvin Anderson receive basketball awards from Coach Smith.

CLASSES

WHAT IS SO GREAT ABOUT A CLASS?

Each student is very proud to be in his/her certain class. All students go through the same things during the years. Seventh graders go through the stun of a new place and acceptance of upper classmen. Eighth graders experience the loss of attention as they are no longer the center of it; they are also half way through Jr. High. Ninth graders enjoy their year as the oldest of the Junior High Students. Sophomores experience many changes as they now can see graduation in the horizon. Juniors feel better about themselves as they experience a touch of **Seniority** as they order their senior rings. Seniors feel the thrill of victory during their last year of schooling, as they have almost conquered all of those treacherous paths. Each class member feels a closeness to the other, as they all experienced 6 of life's toughest years together, and they did it as a **CLASS.**

WE'VE GOT PERSONALITY

Every person at CCHS has their own unique way of doing **things. There are quiet people, loud people, conceited people, humble people, out-going people, and laid-back people. There are** those who like country music, rock music, **soul music, and gospel music. There are people with dreams, people who are down to earth,** people with new **faces, and people you've known since Kindergarten and before. However, none are exactly alike, and none are better or** worse than any other. That's what's great about **our school. We've got *personality*.**

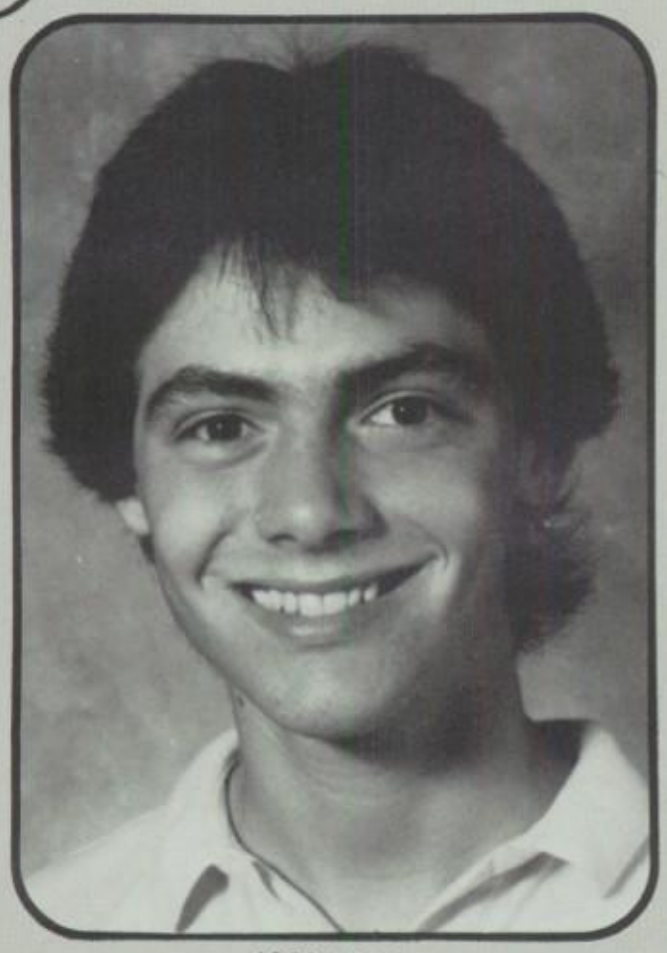
IN LOVING MEMORY OF
BERRY FUTRELL



1968-1986

If I Should Be The Next To Go

If I should be the next to go
I pray that it won't hurt you so
It breaks my heart to see you sad
I want so much for you to be glad
I know how lonesome we all are
To have one so dear gone so far
And yet it is within our reach
That time will come and close the breach
And we will know a perfect life
And there will be no stress and strife.
And we will all together be
In our heavenly home for eternity.
For God has us His promise given
That we will meet again in heaven
And in His Word I put my trust
And know He will take care of us.
And I know that there is someone there
Safe and happy in His perfect care
And waiting for the rest of us
As each in turn will journey there.
And if I should be the next to go
Try not to feel too much woe
For even though the loss is sad
There is a reason to be glad
And even though we might forget
Something better awaits us yet
And as each parting is hard to bear
The greater reunion we will share.
And if the next should not be me
I know that there will sorrow be
And I will just await my turn
And with all my heart I will yearn
For the fulfillment of God's perfect plan
To all be together once again.

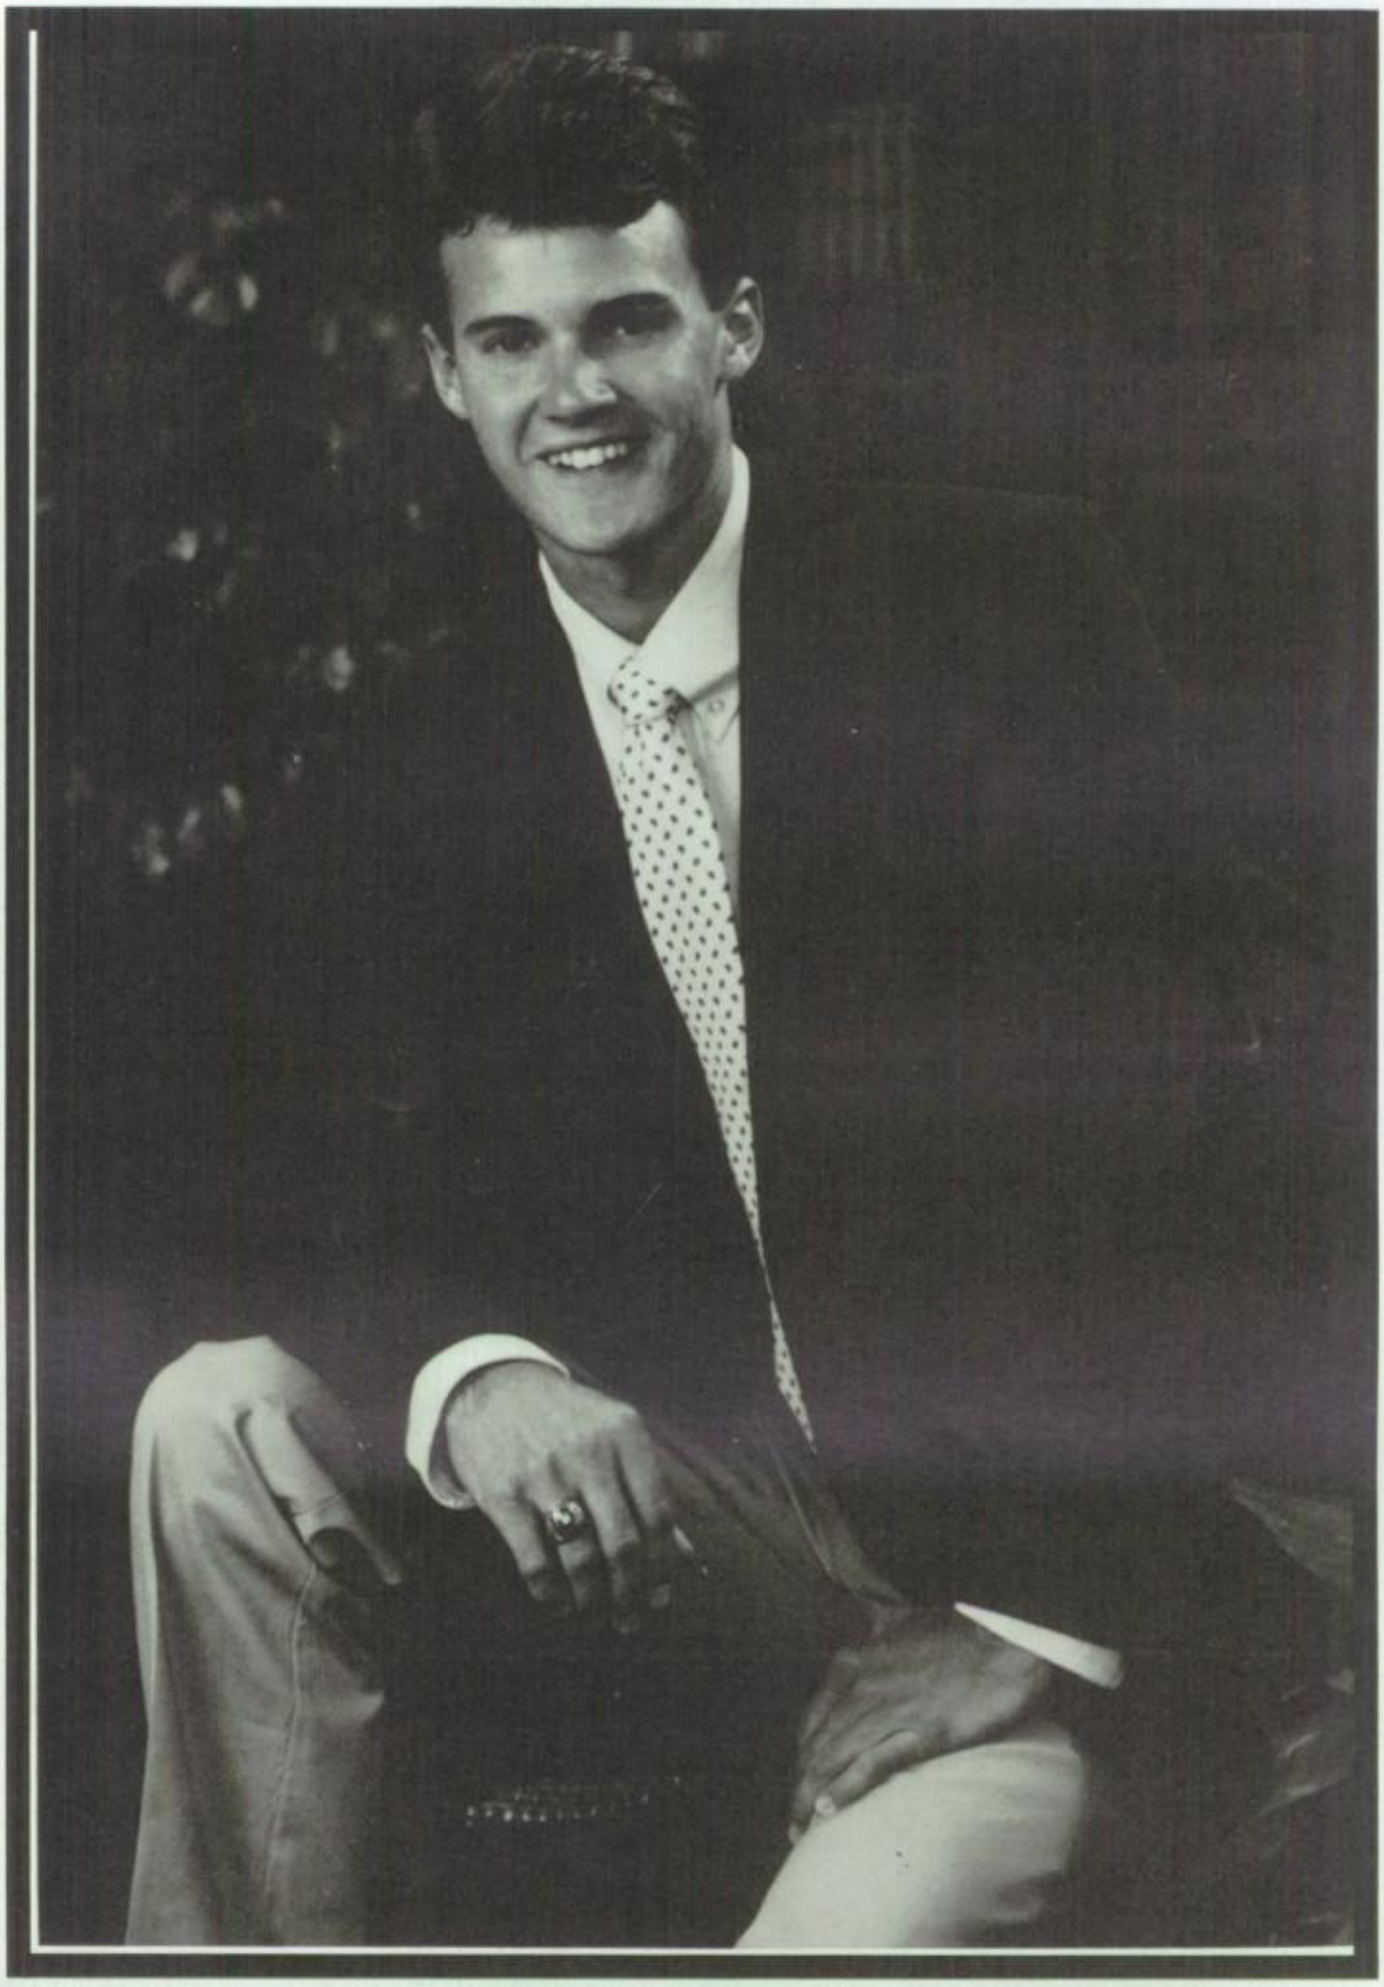
EDITOR



JOHNIE HAMPTON

FROM THE EDITOR

As our "yearbook year" started out, I thought long and hard about a theme. After walking down our halls, I discovered that there were nineteen senior portraits hanging from the wall. Then it hit me. This year would be our school's twentieth anniversary. From there, I, with the help of the staff, read that the twentieth anniversary gift is PLATINUM. The wheels really began to turn, and we jointly concluded that the theme would be "WE'VE FINALLY HIT PLATINUM."

I hoped, as we decided on our theme, that this year would be packed full of exciting and memorable events because we were really ready to capture them. Next came the new and improved layout design. Captivating the mind of the reader would be the goal of our layout. The staff and I worked hard on writing, changing, adding, and rearranging everything. The pages were finally ridded of unsightly white space. This yearbook is absolutely jam-packed full of the year's activities. I hope the added articles will be enjoyable and informative. They may not really be appreciated now, however, twenty years down the road, when our minds begin to degenerate, the helpful hint of a name or two will be appreciated.

The staff and I have put much time and untold effort into this yearbook, and we hope you think it is as great as we do. Speaking for the whole staff, we hope you enjoy reviewing this yearbook as much as we enjoyed putting it together.

Words cannot express my sincerest appreciation to Mrs. Dorothy Cooper, who spent a trememdous amount of time checking over pages and looking for our mistakes. More than anything I appreciated her support, and her sense of humor, and I will always respect her. She backed us all the way just as she's done with other yearbook staffs over the past twenty years at C.C.H.S. I would also like to thank Mrs. Kay Wilson and Mrs. Joyce Woodham for carting us to sell advertisements. The office personnel should also be mentioned for I felt I was driving them crazy with my frequent visits. They all helped out in many ways. A big word of thanks should go to Mr. Robert Jenkins for doing a fantastic job of photography on the senior division page, the endsheets, and especially the cover. And to the world's greatest yearbook staff, I would like to say thanks for your ideas, support, and respect with which you helped me through the year. Last, but not least, I would like to thank my family for putting up with my frequent memory lapses at home due to yearbook deadlines.

I am in high hopes that as you have reviewed this yearbook, you will always remember the many things that made our year PLATINUM.

Michelle-
It's been a great year & next year we'll be Seniors (Thank GOD). I know you & I have had some pretty rough times but we've gotten through them. Shingo kinda got a little rough towards the middle of school because of me dating Tony from Harrisburg, but there's not much I can do. about it now. We have had some good times together & I hope you'll always be one of my closest friends. I hope to see you over the Summer. Good Luck w/ Nick. Keep in touch over the Summer.

I Guse where just Friends

Michelle,

Hey Chick! Can you believe we're finally seniors! Doesn't it feel great! We're going to have some wild times next year! I've really enjoyed getting to know you this year! You one of my best friends and I really enjoy being around you! You've always been there for me to talk to, you've always listened and you were always good at keeping my secrets! You've been a great friend and I love ya for it! You have a great personality and you very easy to get along with! We're going to have to keep in touch this summer so we can get together and go CRAZY! We'll also have to keep in touch so we can double again! That was fun when we double at the Pizza Hut & Movies! Stay sweet & Stay out of trouble this summer! Keep in touch!

Good Luck with Nick!

Love ya lots!

Michelle,
Hey girl I really enjoyed it going
to school with you this year and
we've had fun times in the next
few years. Keep up the good
work in school and stay
out of trouble. Have a
nice one.
Love ya,
Tina Marie Hatley

Michelle,

Well Chic!

Only one more year and we can throw this place out of our lives 4-ever! Thank Goodness! We really enjoyed going to school with you. You're a good friend and we've all had some good times, but just wait until next year. It will be better!!! Good luck with Nick. You'll make a great couple, I hope it all works out for the best!

Stay out of trouble this Summer!

We've had fun
made it through
Senior Year! I can't
believe it. We'll be glad
we have gotten to know
each other. These past few
years, you've been a real sweet
person. I hope we'll get to see
each other during the summer.

love ya
Kim

Jeff Sr.

You've been so
busy, and absent
times. Forgot you were here. The
good grade and we'll behave
not been overlooked.
Thanks
Jeff

Michelle,
We've had a lot of fun
together. I'll miss
you next year.
